A multi member team was affirmed in 2013.  
The current new team reflects the  
international character of SFCC, as well as  
the characteristics of collegiality and  
egalitarianism. Each new team member is  
trained in excel data base keeping, Microsoft  
Word, photo cropping and transfer and  
maintaining an electronic phot file, creating  
and maintaining electronic files, writing  
obituaries and introductions.

Thank you for the  
privilege of serving you  
as the community  
archivist for the past 27  
years (1995-2022). I  
followed Lillanna Kopp  
as archivist and had the  
awesome opportunity to  
spend 7 full days and nights at her home  
when she transferred documents and files to  
me.
